

## **Patient Needs by Developmental Age**

TSRHC operates solely on donations. In addition to medical care and supportive services, the hospital helps kids be kids while they're here. The following list of patient needs is divided by developmental age.

### **Baby and Toddler Items**

- Blankets
- Pop-up boxes
- Children's lullaby music CDs
- Mobiles and other crib toys
- Toys with lights and/or sounds
- See n' Say
- Toy keys
- Musical/sound books and toys
- Interactive toys
- Interactive videos

### **School-age Children**

- Sports equipment
- Play medical kits
- Personal-size CD players
- Etch-a-sketch
- Bubbles
- Magna Doodles
- Match Box cars
- Ken and Barbie dolls, clothes and accessories (all ethnicities and special differences, ex. Barbie with a wheelchair)
- Nonviolent action figures
- Puzzles
- Remote-control cars
- Movies (G- or PG-rated)

### **Teenagers**

## **Books**

While we appreciate all book donations, there are a few specific titles and/or types that we use most often.

Types:

- Cardboard books (for infants and toddlers)
- Seek and Find Books (I Spy, Where's Waldo, etc.)
- Teenage Books (sports, fashion, mystery novels, other appropriate novels)

Topics:

- Visiting the hospital
- The human body
- Feelings

Titles:

- *It's Okay to Be Different*, by Todd Parr
- *Wemberly Worried*, by Kevin Henkes
- *The Way I Feel*, by Janan Cain

## **Other Items**

New stuffed animals  
Gift cards (Target, Wal-mart, Toys R' Us)  
Magazines (sports, parenting, teen, etc.)
