- ABOUT JACLYNNE BEDROSSIAN:** TSRHC patient Jaclynne Bedrossian, age 11, of Frisco is treated at TSRHC for scoliosis. Jaclynne has participated in cheerleading since age 5 and recently was chosen for 7<sup>th</sup> grade cheer at her school. She also cheers competitively, plays the piano and will perform in a stage production of the hit-movie, Disney's "High School Musical," through the drama department at her school.
- ABOUT WELLSTONE COMMUNITIES:** Until now, Wellstone Communities was one of the best kept secrets in residential living. The company, based in Cumming, Ga., creates communities where quality meets convenience and luxury meets livability. Wellstone Communities believes in building homes for residents interested in living both worry-free and well. Current North Texas projects include Cooper Life at Craig Ranch, the world's first residential community focused on healthy living, and Wellstone at Craig Ranch; both projects are located in McKinney, Texas. Unique architectural designs along with custom design features make Wellstone Communities a precious stone in any residential development. Wellstone Communities currently has residential developments in Georgia, Tennessee, South Carolina and Texas. For more information, please visit [www.wellstonecommunities.com](http://www.wellstonecommunities.com).
- HOSPITAL INFORMATION:** Texas Scottish Rite Hospital for Children is one of the nation's leading pediatric centers for the treatment of orthopedic conditions, certain related neurological disorders and learning disorders, such as dyslexia. There is no charge to patient families for treatment at the hospital, and admission is open to Texas children from birth to 18 years of age. For more information, to volunteer or to make a donation, please call (214) 559-5000 or (800) 421-1121 or visit [www.tsrhc.org](http://www.tsrhc.org).
