# Dyslexia Training Program Workshop

On October 18-20, 2010, Texas Scottish Rite Hospital for Children will offer a workshop for teachers and paraprofessionals currently facilitating the Dyslexia Training Program. Our goal is to provide program facilitators the knowledge and tools to implement and sustain effective dyslexia programs using this curriculum.

## An Introduction to *Rite Flight: A Classroom Reading Rate Program* and *Rite Flight: A Classroom Comprehension Program*

In addition to the Dyslexia Training Program, attendees will also learn how to implement the Rite Flight supplements. These successful components are a great addition to the Dyslexia Training Program by providing instruction in the specific areas of reading rate and reading comprehension.

Participants will learn how to incorporate Rite Flight into the Dyslexia Training Program to enhance their program. Rite Flight manuals are included in the price of the workshop. Additional

Rite Flight materials will be available for purchase at the workshop.

A certificate of attendance will be provided for documentation of CEUS

## Workshop Objectives

Participants will:

- ◆ Develop a broader understanding of dyslexia
- ◆ Recognize the role and responsibility of the DTP Facilitator
- ◆ Learn the elements of effective implementation of the DTP
- ◆ Learn how to implement the *Rite Flight* supplement

Registration is \$200 which includes all materials, continental breakfast and catered lunch all three days.

Registration deadline is October 8, 2010.
